Dear SSgt Chilson:

SUBJECT: YOUR FREEDOM OF INFORMATION ACT (FOIA) REQUEST, FILE NUMBER
DON-USMC-2014-007463

This responds to your July 9, 2014, FOIA request for records related to Inspector General of the Marine Corps (IGMC) case number 11380.

We initiated a search of the files maintained by the IGMC, which identified three memoranda responsive to your request and we have enclosed a copy of those for you. You will see that there are some portions of the enclosed records redacted. Those consist of personal information about other individuals, which FOIA exemptions (b)(6) and (b)(7)(C) require us to withhold when their privacy interest in it outweighs any public interest. Please be advised that IGMC did not provide records that either you sent to them or that they sent directly to you.

In view of the above, you may consider this to be an adverse determination that may be appealed to the Judge Advocate General (Code 14), 1322 Patterson Avenue SE, Suite 3000, Washington Navy Yard, DC 20374-5066. Your appeal, if any, must be postmarked within 60 calendar days from the date of this letter and should include a copy of your initial request, a copy of this letter, and a statement indicating why you believe your appeal should be granted.

We have categorized you as an "other requester" for the purpose of assessing FOIA processing fees. In this instance, the applicable fees did not exceed your free entitlement so there is no charge for processing this request.

I am the official responsible for this determination. Should you have questions about this action, please contact my office at (703) 614-4008, via email to hqmcfoia@usmc.mil, or fax at (703) 614-6287. Please reference the file number in the subject line above.

Sincerely,

S. A. HUGHES
Head, FOIA/PA Section
